## ***Welcome to Stay Safe 'Home' Classroom.***

Due to the current global 'Covid-19' situation and consequently having all schools here in the UK closed for the majority of young people, we are trying to do our bit to help all primary school pupils to still have the opportunity to get some extra 'home' tuition on the subjects of **Anti-bullying** and **Internet Safety**.

On the pages below you will find links to **quizzes**, **poster templates** and **fun challenges** to allow your young people to top up on their knowledge on these subjects.

**We have also included some helpful sites and information you can use if you need any extra help with internet safety or mental health.**

***Please send any pics of you all getting involved so we can share them on our social media pages. Or just post them yourself using the Hash-tag #staysafehomeclassroom***
