Cut out and use the templates on the next page to encourage everyone in class to create a *'Kindness is cool'* quote about another class member.

A great way to do this, would be to put everyone's name in a box and then get pupils to pick a name at random and write their *'Kindness is Cool'* quote to share with everyone in class.

This could be anything from a kind compliment, to an awesome statement about another class member.

These can then be read out in class or during assembly and also used to create classroom *'Kindness is the New Cool'* wall displays.

You can use our poster on page one, surrounded by all the classes amazing positive *'Kindness is Cool'* quotes.

Please send us pic's of your fantastic work, we would love to share them across our social media pages.
