

Educating & Protecting Young People

Anti-bullying & Friendship

All of our anti-bullying sessions are built around helping children, firstly understand what exactly bullying is, moving on to why it happens, the damage it can cause, all the way through to getting help and learning tools to effectively cope with various bullying interactions

online, verbal, physical and in-direct (social) bullying

Sessions for all year groups across the day (full day visit)

Individual year group sessions (half day visit)

Online Safety & Digital Citizenship

All our sessions are delivered to age appropriate audiences, to make sure everyone is getting the correct and relevant help and advice

Promoting not only how to stay safer online, but also helping children to understand how making positive choices online can impact their offline interactions, friendships and future relationships.
Ultimately becoming healthy 'Digital Citizens'
